

Product Information

VENTO AR 1

CANTON

Enclosures and Technology

With Attention to Detail

Modern Design
Elaborate enclosure design with reduced natural resonance behavior

ATB Membranes
ATB diaphragms (Aluminium Titanium Black) in the low- and mid-frequency range

Wave Surround Technology
Extremely long strokes with precise acceleration and deceleration characteristics

BC Tweeter
Square-shaped transmission front plate with Black ceramic tweeter system (BC)

Integrated wall mount
Easy wall mounting thanks to the integrated wall mount

Gold-plated terminals
Gold-plated single-wiring terminals for optimal signal transmission

Variants

Classic elegance

Derived from the Italian word for "wind," the new Vento models combine elegance with powerful sound performance. Their flowing curves and distinctive shape define their unmistakable design. With an exclusive range of elegant color options and high-quality finishes, the new Vento speakers make a statement in your living space – not only with their sound but also with their appearance.

White Satin

Black, magnetic fabric cover

Black High Gloss

Black, magnetic fabric cover

Dolby Atmos Speaker

The Vento AR 1 was specifically designed for use in Dolby Atmos configurations. As an upward-firing speaker, it utilizes ceiling reflections to create a realistic soundstage. Alternatively, it can be installed directly as a wall-mounted speaker using the integrated wall mount. Whether used as a top-mounted or wall-mounted speaker, the result is an immersive, three-dimensional listening experience.

TECHNICAL DATA

Principle	2-way closed
Driver Sizes	
Tweeter	1 × 25 mm, BC-Membran (Black Ceramic)
Midwoofer	1 × 154 mm, ATB-Membran (Aluminium Titanium Black)
Transmission range	50...30.000 Hz
Transition frequency	3.000 Hz
Nominal / music load capacity	60 / 100 Watt
Impedance	4-8 Ohm
Efficiency	84,5 dB
Dimensions (W×H×D)	19 × 27 × 16 cm
Variants	White Satin Black High Gloss
